**Subject:** Manu's Update:

Dear friends/family,

*"For I know the thought that I think towards you, say the Lord, thoughts of peace and not of evil, to give you a future and a hope. Then you will call upon me and go and pray to me, and I will listen to you"--Jeremiah 29:11-12*

It's a real blessings and honor to serve the Lord. We are so thankful to the Lord for your continue partnership with us in His kingdom. Thank you so much for standing with us in prayers, and in other practical ways for these past months. We pray and trust that the Lord's protection, provision and His healing would continues to abound with you. May God bless you for the love that you have for His people.

### **MINISTRY HIGHLIGHT:**

It's hard to believe that summer is almost gone. Well, we still reflect on this past summer what the Lord has done for us as a family, for you as friends, and for our kids in the community. Infact, our kids in Monroe, Social Circle, and Loganville community were blessed and enjoyed the Fish4kids summer feeding program. During this past summer, 2300 children were fed nutritious sack lunches a day between May 27th--July 25th throughout Walton County. The program was ended with picnic for the children and each child went home with a bag of school supply. As a matter of fact, this program brought to us new friendships that would last in eternity. Above all things, this program could not have happened without our faithful volunteers who came out to serve. Big thank you to all those who gave financially, and also came to help and sacrifice their time. May your reward be so great in heaven. See you again next year summer by God's willing.

### **WALTON COUNTY REPORTING CENTER:**

This is a place where the trouble kids between age 12-18 either on probation or suppose to be in jail in Walton County are allow to come for training for six(6) months. This program allows these kids to realise the need to change for their lives in many practical ways. This program offer them another opportunity to change to become good citizens. At the moment, we have 20 kids for the program. We engaged these kids mentally and physically by the truth of God's word, as well as vigorous body exercises each day. Most of these kids struggle with drugs, and for the past 2 years have seen most of these kids graduating from the program completely changed persons or turn new life. To Him be the Glory! Please join us in prayers for these precious kids.

### **BIBLE STUDY AT THE CHAPEL:**

We have been meeting at 4:00pm(FBCL-CHAPEL) for the evening Bible Study for the 2 months

now, and we have witnessed the power in His presence. Are still you for peace, healing, deliverance and freedom? Please come and meet God of restoration for your life.
