We are making plans to minister to girls from the slum area and their families in the villages surrounding the city through VBS and visits. We will be prayer walking and helping our team host a "Beggars Banquet" for homeless during Thanksgiving!

YOU CAN HELP!

Please pray as we visit a local Mosque this month to prayer walk and take part in "Storying" training to get ready for our trip!

Financial Needs:

The Lord has blessed Kathy tremendously and her trip is completely paid for, Praise Jesus!! But...

2 other team mates still need help paying for their trip cost! If you'd like to help their cost is \$2,000 each

Also, we are gathering supplies for the projects and gifts to take to the

missionaries, their kids, and their national partners.

If you would like to help contribute to this cost or one of the trips you can

make donation checks for trip payable to:

"Sharing His Love" ministries (be sure to leave the "for" line blank then it can count for tax deduction).

Mail them to:

OUR NEW RESIDENCE

Due to some changes with our house situation we are moving to this new location just down the street in Covington for right now.

"For my thoughts are not your thoughts and neither are my ways your ways, declares the Lord." Isaiah 55:8

We still have many details that will take time to fall into place for our departure to serve in South Asia, which is still the desire of our hearts.

In the mean time we have begun helping with a local church "re-plant" here in Covington, Calvary

Baptist, and the interim pastor there opened the doors for us to use this beautiful pastorium that was sitting empty! **Praise GOD!!!!!!!!!!!!**

Shannon continues to work on his final semester of seminary through the NOBTS extension center. He has begun working with Berea School of Ministry part-time helping teach classes online and some other IT and Financial help. This month Shannon was brought on as the football team chaplain for Newton County High School and he is loving working with those guys and reaching out to the community to help see some new things start at Calvary! **Also, we are also excited that "Reach the Nations" is developing into an ongoing ministry. More details on that to come!**

The kids are doing great! They are so excited to be moving and setting up their new rooms. We have started home school for 1st grade and K-5. Although they will miss their friends here, they are praying for some new friends in the new neighborhood!
